

Embleton Care Featured in Leading Food Magazine

March 5, 2008

Embleton Care has been showcased in Spice Magazine.

Spice magazine features local talent and excellence in the catering industry. The magazine focuses on fresh produce and innovation in food.

The article discusses Embleton Care's move from traditional catering services to an in-house service that focuses on fresh ingredients and diversity in food.

Spice magazine can be purchased from leading newsagents and gourmet food outlets.
